

### What is Heather's Camp?

Established by Vision Rehabilitation Center and the women of Gamma Upsilon Chapter of Delta Gamma Fraternity at Wichita State University and the Wichita Alumnae Chapter of Delta Gamma Fraternity, Heather's Camp honors the memory of Heather Muller, her love of children and her desire to help those with special needs. It provides an opportunity for Kansas children to experience the joy of a camp program where they can acquire skills, gain confidence, find support and encouragement and have fun.

#### Heather Suzanne Francis Muller

Born to James and Lois Muller on September 21, 1975, Heather attended high school at Kapaun Mt. Carmel and was involved in Music Theatre for Young People, Children's Theatre and Music Theatre of Wichita. Blessed with a beautiful voice, her musical talent was nothing less than phenomenal. After graduating in May 1998, with a degree in audiology from WSU, Heather began working with disabled children at Rainbows United and found she loved it. She later took a part time job teaching preschool at St. Thomas while pursuing her master's degree in early childhood special education. Heather would have completed her master's degree in May, 2001. An active member of Delta Gamma since 1996, Heather worked to further the efforts of the Delta Gamma philanthropy: Service for Sight.

Heather impacted hundreds of people throughout her life. And though she is gone, her spirit will always be with us. We will find comfort knowing she is present each time a person sings a song, reaches down to help a child or takes time to pray.
